

## Consent for MTM (Mark to Market) Square-off By RMS Manager

{This consent is as an agreement between Client and Wisdom Capital (An online brand of Ashlar securities Pvt. Ltd.) for MTM (Mark to Market) square-off By RMS Manager to take a precautionary action for minimize the loss for clients position that is not only beneficial for customer but also for Brokers RMS system.}

Dear Customer,

As you Know that margin leveraged products attracts high risk if not managed meticulously. So in the prospect of avoiding the maximum loss of customer, we are going to take a consent from client for squaring off the position for MTM Loss by our RMS Manager for our various leverage category. In this regard we are mentioning the percentage of limit for square off the positions according to plan as follows:-

BROKERAGE PLAN NAME	INTRADAY MARGIN		MTM %
	CASH	F & O	
PRO	40X	6X	70%
ULTIMATE	60X	10X	70%
ULTIMATE+	60X		60%
ULTIMATE ++	60X	15X	50%

Note..

- The consent is in subject to market volatility
- Message would be reflected on clients trading software for squaring off the position by client otherwise our RMS team will Square-off
- In this agreement client is giving his consent to square off his position for MTM loss by our RMS Manager.
- After making signature you are ensuring that the given percentage of MTM for the position will be square off by you or by RMS.
